Additional Mathematics course  
- 3-5  

Upper-division electives to total 40 credits  
- 18  

Elective to total 120 credits  
- 26-35  

Total  
- 120  

To obtain a baccalaureate degree you must:  
- complete the number of credits specified for that degree  
- of those credits, at least 40 must be in upper-division courses (numbered 300 or higher)  
- complete at least 30 credits at Boise State (residency requirement)  
- fulfill all Foundational Studies Program requirements, receiving a grade of C- or higher in each course, unless otherwise required by department  
- complete the college first-year writing requirement  
- attain a cumulative grade-point average (GPA) of 2.0 or higher and meet any other grade requirements stipulated for your major  
- attain a grade of C- or higher in all upper-division courses required by your major and minor  
- not have a grade of I (incomplete) on your record  
- complete all major requirements specified by the program or department offering the degree  
- complete graduation application by posted deadline
